PlanetMath: bipartite matching
A matching on a bipartite graph is called a bipartite matching. ... method for finding
maximal bipartite matchings involves using a network flow algorithm. ...
planetmath.org/encyclopedia/BipartiteMatching.html - 40k - Cached - Similar pages -

1.4.9 Network Flow
Jul 10, 2008 ... Several of the graph problems we have discussed in this book can be
modeled as network flow, including bipartite matching, shortest path, ...
